OUR UNIQUE SELLING POINT

Our Pre-order your dream vehicle product is uniquely tailored to the specific needs of corporates. We have designed our process with our customers in mind. This product holds much value to optimize the budgeted resources of our clients and contribute optimization of organisational resources

TRANSPARENCY

As part of our ethical principle, we hold transparency and, professional competence and due care at the core of this unique product. From the beginning of the process to the eventual delivery of the pre-ordered vehicle, the whole process is made clear and can be monitored by the purchasing company/Individual.

COST

We have conducted extensive specific market survey and we have designed our process with a cost management approach whilst maintaining high quality that optimizes resources of the purchasing company. Our Lower cost pre-order vehicle product comes at a lower cost compared to the holding market price of vehicles when bought from local automobile outlets.

DOCUMENTATION

We ensure to carry out thorough investigation and evaluation of the history of all our vehicles purchased off-shore through the pre-order services. This is to provide the needed confidence to our esteemed clients. We communicate the History of the vehicle to validate condition of vehicle to be purchased. The vital information that helps detail the history of the vehicles include;

- All vehicle documents
- Contact of previous users (For Pre-owned vehicles)

PRD.01 Vehicle Ordering

Process summary

This process explains the steps in placing an order for a vehicle

ACTIVITES

Process	Step	
Vehicle Ordering	1.1	Purchasing company communicates intention to buy following understanding of the product offering
	1.2	Wonderwheel contacts purchasing company to provide understanding of the pre-order vehicle to validate clarity and provide required explanation where needed
	1.3	Following the understanding and overview of the business process, Wonderwheels reaches agreement with the purchasing company on what specific vehicle(s) to be purchased detailing the vehicle brand, color, model and year.
	1.4	For pre-owned vehicles confirm the mileage and agree discussion with previous users. Upon agreement on the car type to be purchased, Wonderwheels communicates Time frame for delivery to purchasing company
	1.5	Wonderwheels share all information and documents about the vehicle history including the contact of previous users to validate condition purchase
	1.6	Wonderwheels communicates the Total cost (vehicle Cost and all associated cost) to have the vehicle delivered to the purchasing company.
	1.7	Payment for vehicle to be ordered is upon agreement of terms

PRD.02 Payment

Process summary

This highlights the activities for upfront payments and post delivery payment

ACTIVITES

Process	Step	
Payment	2.1	Wonderwheels communicates the Total cost of pre-ordered vehicle clearly showing the cost breakdown to the purchasing company including - Vehicle(s) cost - Air Freight cost - Clearing and Handling cost
	2.2	Communicate the available payment options to the purchasing company
	2.3	Wonderwheels agrees payment options with the purchasing company
	2.4	If payment is agreed in foreign currency, 80% of the total Cost of the vehicle is remitted upfront following agreement on the vehicle specification, condition and time frame for delivery.
	2.5	Otherwise agree total cost of vehicle to be collected at the current foreign exchange market rate in Naira.
	2.6	Confirm payment deposit by the purchasing client and present confirmation and receipt of payment.

PRD.03 Vehicle Delivery

Process summary

This highlights and explains the conditions and activities associated with the freight delivery.

ACTIVITES

Process	Step	
Vehicle Delivery	3.1	Upon confirmation and reconciliation of received upfront payment for the pre-ordered vehicle(s), wonderwheels releases all required documents to the purchasing company. ▪ Bill of Lading ▪ Manifest ▪ Parking List detailing (Vehicle Chassis No, Engine No., No of Keys, Colour)
	3.2	Purchasing company uses the above ordered vehicle's unique documents to track and monitor the ordered vehicle
	3.3	For the faster freight and if ordering and loading is done before the cut off time for the Ship to leave, wonderwheels communicates the delivery time will be 18-days to get to the purchasing company
	3.4	Otherwise, delivery is communicated to be in 45-days or more
	3.5	Wonderwheels keeps ongoing communication with the purchasing client on the state of the ordered product and the progress of the ship in view of the agreed and communicated delivery time
	3.6	Upon arrival of the pre-ordered vehicle, wonderwheels takes up on the clearing and handling of the vehicle
	3.7	Upon delivery of the vehicle to the purchasing company, all necessary inspection, comparing the delivered vehicle to previous documents shared to validate that what was ordered was delivered in the state and condition previously communicated will be carried out
	3.8	Where there are any differences, wonderwheels bears the responsibility of communicating next steps to the purchasing company.

OTHER REQUIRED DOCUMENTS

The below documents will be presented by wonderwheels to the purchasing company.

- Wonderwheels Proof of Financial Capability to be signed off by the bank
